EVERYONE needs a *Summer Break*, don't you think?

ESPECIALLY MOMS!

“Busy” is the definition of “Summer” when you have children, and keeping them well nourished with even less time to devote to meal planning and budgeting can be a chore.

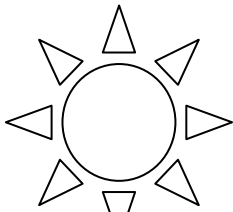

Timber Creek has the Answer!

Let us help you keep your children healthy this summer while saving you time and money.

During the summer we eat a lot of “not-so-nutritious” foods because we're always on the run.

Here is how to **enjoy your summer, keep healthy foods in the mix, and stay within your budget.**

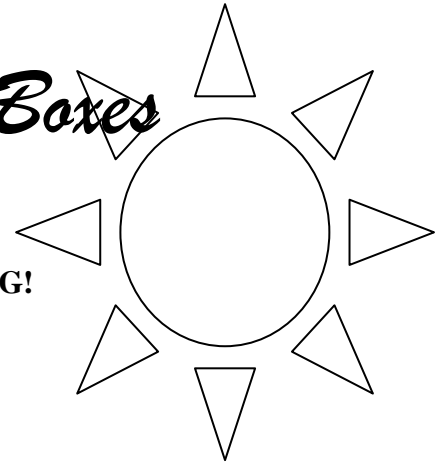

**Turn to the simplest, most abundant, most refreshing, most portable
Organic Foods of the season:**
